INJECTABLES

Botox and Dysport | Botox: \$13/unit, Dysport: \$5/unit

Botox and Dysport are both popular products for addressing common skin issues. These injectable medicines relax your facial muscles to eliminate wrinkles, frown lines, crow's feet, and forehead lines.

Fillers | From \$425

Injectable dermal fillers are a gel-like substance that can plump thin lips, enhance shallow contours, soften facial creases, remove wrinkles and improve the appearance of recessed scars.

PRP | From \$600

Platelet-rich plasma (PRP) therapy uses injections of a concentration of your own platelets to accelerate healing and therefore stimulates collagen. PRP is injected into skin to encourage collagen growth within the dermis. It is particularly effective in reducing acne scarring, wrinkles and lip lines. This treatment combines injections with microneedling, to treat skin cells on the inside and the outside.

Aqua Gold

AQUAGOLD® fine touch™ is the first of its kind, patented microchannel microinjector. It is designed to painlessly and effectively deliver microdoses of therapeutics into the skin. Can also be combined with Botox, Dysport + Fillers. Leaving your skin glowing and healthy!

FACE & BODY TREATMENTS

CoolSculpting | Pricing with consultation

CoolSculpting's fat-freezing technology gives long-term results that make trouble spots a lot less troubling.* Fat cells don't like the cold and at a certain temperature they will freeze. Once that happens, your body will naturally eliminate the dead cells in 1-3 months or more, resulting in up to 20%-25% reduction of fat in a treated area.

CoolTone | Pricing with consultation

Meet CoolTone, Allergan's latest innovation in body contouring. CoolTone is a noninvasive body contouring treatment that uses Magnetic Muscle Stimulation (MMS) technology to strengthen, tone, and firm the muscles of the abdomen, buttocks, and thighs.

Kybella | \$1200

KYBELLA® is the only FDA-approved injectable treatment that destroys fat cells in the treatment area under the chin to improve your profile.

SEMI-PERMANENT MAKEUP

Microblading | \$500

Microblading is a Brow Tattooing technique in which a small handheld tool made of several tiny needles is used to add semi-permanent pigment to the skin.

CHEMICAL PEELS

Enzyme Peel | \$115

Enzymatic peels utilize gently exfoliating fruit-based enzymes to dissolve dead skin cells, support skin cell renewal and soften skin texture with minimal irritation.

HydraFacial | From \$125

HydraFacial uses a unique, patented Vortex-Fusion delivery system to exfoliate, extract and hydrate skin, and, the spiral design delivers painless extractions. Only HydraFacial uses patented technology to cleanse, extract, and hydrate. HydraFacial super serums are made with nourishing ingredients that create an instantly gratifying glow in just 3 steps: cleanse & peel, extract & hydrate, fuse & protect.

The Perfect Peel | \$200

The Perfect Derma™ Peel is safe, effective medium depth peel for All Skin Types & Ethnicities. This product is virtually painless, with no pre-peel skin preparation and little downtime. The Perfect Derma™ Peel is the only peel that includes the powerful anti-oxidant Glutathione, which lightens and brightens the skin, slows down the aging process and helps prevent wrinkles.

TCA (Trichloroacetic Acid) | From \$75

The TCA 20% medium strength peel is perfect if you are looking for a deeper peel with heavier peeling and who do not mind up to 2 weeks of downtime. This peel will firm and tighten sagging skin and will address deeper wrinkles and texture issues.

BioRevitalizer | Series of 4, \$1000 or \$250/treatment

The Peel that doesn't peel! WiQo BioRevitalizer is an advanced chemical peel that combines a special serum and a patented application technique that digs deep down into the sub-dermal layers to completely revitalize skin for an all-over glow. You can think of this treatment like a facelift in a bottle. As an anti-aging and skin-perfecting treatment, this unique chemical peel can treat a myriad of cosmetic concerns, including: lift and tighten skin, fine lines and wrinkles, scarring, enlarged pores, dark spots and sun damage, and more!

LASERS & ANTI-AGING

Skin Rejuvenation | From \$300

Venus Versa photofacial treatments are powered by Intense Pulsed Light (IPL) technology to safely and effectively fade common signs of premature aging, including sun spots, discoloration, and visible veins. IPL technology sends precise light through several layers of skin. This targets skin imperfections, correcting them without damaging any surrounding tissue.

Skin Resurfacing | \$375

Venus Viva skin resurfacing treatments are powered by advanced radio frequency technology to safely correct signs of skin damage, which improves the appearance of scars, visible pores, deep wrinkles, stretch marks, and uneven skin texture.

Acne | \$75

Venus Versa acne reduction device is powered by Intense Pulsed Light (IPL) technology to safely and effectively reduce acne and inflammation.

Laser Hair Removal | From \$120

Venus Velocity hair removal treatments work with advanced technology that targets and destroys the follicle under the skin's surface. Over time, this significantly reduces hair growth, with results that last longer than shaving, waxing, plucking, or depilatory creams.

Venus Freeze | \$199

"Anti aging advanced radio frequency technology that safely delivers tighter, smoother skin that feels like a hot stone massage leaving you feeling more youthful

Tribella | \$875

The TriBella™ facial treatment is a three-in-one therapy that combines photofacial, anti-aging, and skin resurfacing to improve skin tone, elasticity, and texture

Potenza | Face: \$750, Package of 3: \$1500

New Potenza RF Microneedling with Tiger Tip™ technology performs like no topical (or even filler) ever could, actually stimulating your body's collagen and elastin levels to treat the advanced signs of aging. Skin looks younger, firmer. And texture, tone and clarity? Smoothed, brightened and improved!

PlasmaMD Pen | From \$265

Combatting the visible sign of facial aging, as the plasma energy reacts with the air between the skin and the device, the result creates a purposeful outcome designed for skin rejuvenation that targets improvement in skin laxity, resurfacing texture and the appearance of fine lines with minimal downtime and maximum results.

Rejuvapen | \$200

Rejuvapen is a pen-like microneedling tool that stimulates collagen production to tighten skin, shrink pores, and reduce the appearance of wrinkles, scars, and hyperpigmentation. This nonsurgical treatment creates micro injuries in the skin, which triggers its natural healing process.

Rezenerate | \$150

With its unique microchip nanotechnology conditioning the skin, Rezenerate will create millions of microscopic channels in the top most layers of the stratum corneum, thereby making it ultra-absorbent for product delivery.

MED SPA POLICIES

Scheduling Appointments

We are by appointment only. Please call or text us to schedule your service at 910-350-0444.

Arrival to the Med Spa

To maximize your experience, please arrive 15 minutes prior to your first scheduled appointment. This will allow you time to relax and let your mind enter a peaceful, tranquil mode. Please understand that late arrivals will not receive an extension of scheduled treatments in order to prevent inconvenience to the next guest and the same treatment price will apply.

Gratuities

Gratuity is not customary at our Medical Spa for medical treatments. If you have a desire to leave a gratuity, our staff members have Venmo and we also accept cash.

Spa Attire

Complimentary use of robe, slippers and lockers are provided for all Spa guests that book massage and/or facial treatments with our sister Day Spa. Please arrive early to your appointment to enjoy our tranquil relaxation area with a soothing water feature and access to order from our very own SIP Liquid bar featuring collagen-induced smoothies, specialty coffees, a glass of wine, or light pre-packaged lunch from the Veggie Wagon.

Considerations

To preserve our peaceful and tranquil mode, we ask that you turn off your cell phones. We are a smoke-free environment on and off the premises.

Canceled or Missed Appointments

Your scheduled appointment is reserved exclusively for you. We understand that certain events or situations come up and prevent you from being able to make your scheduled appointment or cancel within 48 hours. Please communicate to management if this occurs and management will evaluate your individual situation. If you need to cancel or reschedule your appointment, **please notify us at least 48 hours in advance to avoid a charge.** There will be a **fee of \$50 per hour of service scheduled for Coolsculpting Treatments and a fee of 20% of your service for all other procedures (i.e. lasers, peels, facials) that are not canceled with proper notice.**

Patient Financial Responsibility Acknowledgment

At this time, Head to Toe Med Spa does not accept insurance for services. This means all cosmetic and medical visits are cash pay and 100% responsibility of the patient.
